Imperting to it an anequated gloss stud brilliancy, making it soft and silky in its texture, and causing it to curit readily.

The great celebrity and increasing demand for this unequated preparation, convinces the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over any other preparation in use. It is superior qualities over any other preparation in use. It cleaness the head and scalp from dandruff and other cutameous diseases, causing the hair to grow luxuriantly giving it a rich, soft, glossy and fexible appearance, and also, where the hair is loosening and thinning, it will give strength and vigor to the roots and restore the growth to hose parts which have become hald, causing it to yield a resh covering of hair.

There are hundreds of ladies and scattemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations have falled. It. M. has in his possession letters innumerable testifying to the above facts, from persons of the highest redescrability. It will effectually prevent the hair from turning until the latest period of life; and it cases where the hair has already changed its color, the use of the invigorator vill with certainty restore it to it to its original has, giving it a dark, glossy appearance. As a perfuse for the tollet and a Hair Esstorative it is particularly recommended, having an agreeable fragrance; and the great facilities it affords in dressing the hair, which, when moist with the Invigorator, can be dressed in any required form so as to preserve its place, whether plainler in cavis; hence the great demand for it by the ladies as a standard form so as to preserve it place, whether plainler in cavis; hence the great demand for it by the ladies as a standard form so as to preserve its place, whether plainler in cavis; hence the great demand for it by the ladies as a standard place of the facts and at all respectable Druggists and Perfamers.

ATTEND TO YOUR COLDS -A case of five years' tanding cured by DR. KEYSER'S PECTORAL SYRUP.

Prirescuon, Jan. 11, 1860. Dr. Kryer:—My wife has been afflicted with a bad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrap. I bought, the first time, a fifty cent bottle, which relieved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose I express my antire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward.

Pressures, Nov. 18, 1858.

Dr. Kryser:—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescribable to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with coughs, colds and hoarseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

moving all that disagreeable schedules affected with the vere cold.

I have been, more or icas, in my life, affected with the severest of colds and hoarseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above Byrup it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully,

EDWARD J. JONES,

Cashier Citizens' Deposit Bank.

COL. PRATT AND DR KEYSEE'S PECTORAL SYRUP.—Da. KEYSEE—Dear Sir. Excuse the delay of my acknowledging the excellence of your Pectoral Cough Syrup sooner. I take great pleasure in saying that it is all you say it is. **Iknocked the noise out of my cough and the worst one I was ever afflicted with: I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quasck medicine." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breathe more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard, as you think proper. E. F. READ THE TRUTH.—DR. KRYSER: I have a daughter who has taken several medicines for a had cough without benefit—among them Ayer's Cherry Pectoral.—I purchased from you a bottle of your PECTORAL 5YRUP, and before she had used half a bottle she was relieved. The second bottle cured her entirely of her JOHN DARIN,

A GREAT CURE BY DR, KEYSER'S PEOTORAL SYRUP.—I live in Peebles township, Allegheny county. I had a coughing and spitting, which commenced acoust the 4th of Pebruary last, and continued eight months. I employed the best physicians in the country, and my cough continued unshafed until early in Getober. At that time I was selvised to try your PEOTORAL COUGH SYRUP, which I did, and after I had taken one bottle I was entirely free from the coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remosty will do for others what the continuous and spitting. I had the continuous accountry that the valuable remosty will do for others what the continuous and the continuous and the continuous accountry. JOHN C. LITTLE Peobles townhip.

PATTON Tr., April 14, 1857.

A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill, with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Fectoral Syrup, which I gave him, and it entirely cure him, to the astonishment of all. What makes the case loor remarkable, is the extreme age of the man, he being about eighty years old. I have no doubt the Fectoral saved his life.

JOHMN GINNIS. JOHMN' GINNIS.

DR. KEYSER'S PECTORAL STRUP IN BLAIRS. DR. KEYBER'S PECTORAL STRUP IN ELAIRS-VILLE.—Please send me another supply of your valuable "Fectoral Syrap." Almost everybody around as has the cold and are inquiring for "Dr. Keyser's Pectoral Syrup." We have sold sixteen bottles hast week, and are now entirely out. Mr. A. Alter and Mr. P. Maher, bott of Bisirsville, Pa., tell us they would not be without if in their families. In fact, all who use it once want is again. Yours, respectfully,

ANOTHER NEW CERTIFICATE-DR. KEYSER'S ANOTHER NEW CERTIFICATE—DR. REYSEL'S
PECTORAL SYAUP.—I had been troubled with a cough
and cold for several weeks—so bad was it that I could not
sleep. I had the advice and prescriptions from three of
the best physicians in the city, whom I could name, but do
not do so. I finally procured a bottle of your Pectoral
Syrup, which cured me entirely. Signed,

"STOP THAT/COUGHING."—'How can I do it? "Go to Keyser's on Wood street and get a bottle of his Cough Pectoral, and if that don't cure you, your case must be desperate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully concur in the advisor's admonition as above, for we have tried the "Pectoral." in a most stubborn case, with entire suncess. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, mulish, unsubduable coughs we ever experienced since our adventupon this mundane sphere. We coughed steadily and ishoriously for one whole week, in hopes of thring it out, but it was no go. In fact it seemed rather to have improved by practice, and to have acquired strength, potency and distressibility by the operation. In this stage of the siege, we coughed our way to Keyser's, 140 Wood St.—procured a fifty cent bottle of the "Pectoral;" took it according to directions, and in forty-eight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Cough Pectoral."—Drounevelike Chipper, Dec. 14, 1859.
